

Modern Families at Villa Aquamare

A Private Villa Compound for Extended Families Offers a \$2,000 Credit

October 9, 2015. Virgin Gorda, British Virgin Islands – While today’s Modern Family may not be identical to the one starring in ABC’s sitcom, it can come awfully close.

Thankfully, [Villa Aquamare](#), the exclusive three-villa compound on a sandy beach on Virgin Gorda, BVI, is the ideal place for a Modern Family to unwind and enjoy togetherness or absolute privacy.

There’s plenty of room, since each one of Villa Aquamare’s 8,000 square foot villas can sleep up to 12 guests, thanks to five suites boasting ensuite marble bathrooms and alfresco rain showers. The villas also have room to spread out, thanks to expansive living rooms, a dining room, a gourmet kitchen, multiple terraces and an infinity pool, as well as a private Beach Park.

This winter, Villa Aquamare celebrates the diversity of today’s family life with a [Modern Family Package](#). When a guest reserves seven

nights in one of Villa Aquamare's luxury villas before November 30, 2015 for a stay between January 10 and April 31, 2016, they will get a \$2,000.00 resort credit which may be applied to one or a combination of the following: private chefs, spa treatments, archipelago day trips in motor or sail boat or a gourmet picnic on a private beach. It can also be applied to the rental rate. *
