Baie des Flamands | St. Barths

**HOTEL ST. BARTH ISLE DE FRANCE
LUXURY BEACH SUITE**

Square Footage | 1,500

Why We Love It | A muted, natural color palette, and the use of cotton and sheer linens throughout the suite, complement the sophisticated, yet relaxed St. Barths vibe. While away the day on the terrace's comfy beach loungers, take a dip in the private infinity edge pool or simply relax in the suite's living area and take in the view from the wall-to-wall windows.

Rate | \$1,779

**AQUAMARE
VILLA 1**

Square Footage | 8,000

Why We Love It | Follow Rihanna's lead and nab this five-bedroom, 8,000-square-foot villa—the most coveted due to its proximity to the beach—and receive exclusive use of the hotel's 62-foot Azimut 62S power yacht for excursions during your stay.
