

The Value of Renting a Luxury Villa

Winter 2011-12, Virgin Gorda, British Virgin Islands - In the ongoing economic crunch, the perfect beach vacation is a happy marriage between an outstanding property and a fair price. After all, value has never seemed more important, and it's why [Aquamare](#), Virgin Gorda's villa enclave, is the perfect choice.

Aquamare does the seemingly impossible, delivering the exclusivity of a villa rental with five-star amenities but at an unbelievable value. Ideal for multi-generational gatherings and holidays with friends, each of the three 8,000 square-foot villas comfortably sleep up to 12 guests. But it gets better, since a guest at Aquamare is provided with the level of services, coddling and amenities found only at a five-star hotel.

Living Room

Master Suite

Built for guests who would be sociable and want plenty of room to relax, each of the 8,000 square-foot Villas feature three Master Suites, a Double Suite and a Junior Suite. There are exceptionally spacious common areas, fully-equipped gourmet kitchens and waterfront infinity pools with unobstructed views of the Sir Francis Drake Channel.

Guests at Aquamare are pampered by an on-site concierge, a private chef and beach attendants. And of course, there is daily housekeeping, laundry service and nightly turn-down service, not to mention Frette linens and Bulgari bath amenities.

Yet based on the low season rate of \$15,900 per week, the price comes out to just \$2,271 per day for up to 12 guests to bask in the lap of luxury. That's less than \$189 per person, per day, for an extraordinary level of service, luxury and living space, a fraction of what a bona fide five star luxury

hotel would charge for a similar experience. It's the reason that upscale villas are unbeatable when it comes to value.

Aquamare, set on the scenic Western coast of Virgin Gorda at Mahoe Bay along half a mile of pristine beach frontage, consists of three 8,000 square-foot private villas. Designed and constructed specifically as elite villa vacation homes, with multiple ensuite master bedrooms, spacious living areas and professional-grade kitchens, Aquamare is the new benchmark for luxury villa rentals on one of the B.V.I.'s quietest and most exclusive islands. Winter 2011-12 Villa rates range from \$15,900 to \$23,500 per week. For reservations or more information, visit www.villaaquamare.com or call (787) 461-2638.
